1. PURPOSE. In order to attract qualifying personnel to critical skills or ratings and help meet the Commandant's recruiting goals, this instruction establishes an Enlistment Bonus program for recruiting under the provisions of reference (a). This program applies to new enlistments.
2. ACTION. Area and district commanders, commanders of Maintenance and Logistics commands, commanding officers of Headquarters units, assistant commandants for directorates, chief counsel, and special staff officer at headquarters shall ensure compliance with this instruction's provisions.
3. DIRECTIVES AFFECTED. Enclosure (1) will be entered as change 1 to reference (b).
4. DISCUSSION. Reference (a) authorizes Commandant to establish a monetary bonus for personnel who agree to enlist in the Coast Guard for at least four years active duty in a skill designated as critical.
5. DEFINITIONS. For the purposes of this Instruction the

following definitions apply:

- a. Critical Rating: A rating which is understaffed, is projected to be understaffed in the future or requires an inordinate amount of training to achieve rating strength. The shortages are the result of the Service's inability to attract and retain personnel in the rating.
- b. Obligated Service: All periods of military service covered by signed agreements in the form of Enlistment Contracts, Reenlistment Contracts and or Agreements to Extend Enlistment between Coast Guard members and the U. S. Coast Guard in which members agree to serve for designated periods of time.
- c. Unearned Bonus: An Enlistment Bonus paid to a member who has not served the active duty time. Example: A member enlists for four years and receives a \$2,000 payment. If the member is subsequently discharged due to misconduct after serving only two years, the member has earned only two years' worth of the Enlistment Bonus (\$1,000); the second two years' worth of Enlistment Bonus (\$1,000) is unearned and may be recouped.

6. POLICY.

- a. Commandant designates critical ratings. Based on current rating strength and workforce forecasts, Chief, Workforce Planning and Analysis Division (G-WR-2), determines which ratings are critical, may be placed on the guaranteed Class "A" school list or the guaranteed "Striker" list, and designated eligible for an Enlistment Bonus (EB). Workforce Planning and Analysis Division (G-WR-2) identifies critical/hard to fill ratings quarterly and updates as necessary.
- b. Enlistment Bonuses are linked to a member's recruitment and affiliation with a critical rating by attending the guaranteed Class "A" school or participating in a guaranteed "Striker" program in that rating or, for prior service personnel who already have the qualifying skill, agreeing to enlist in the designated rating. This program is not a substitute for a Selected Reenlistment Bonus (SRB). Former and current Coast Guard members are not eligible for an Enlistment Bonus.
- c. For those ratings where there is no Class "A" school and for which an Enlistment Bonus is established, a member may receive the bonus by qualifying for the rating through the "Striker" program established in reference

- (c). In these cases, special arrangements shall be made by Commander, Coast Guard Personnel Command (CGPC-epm) to assign members to appropriate commands with viable "Striker" programs in that rating.
 - d. The Enlistment Bonus shall be paid in these periodic installments.
 - (1) When the total Enlistment Bonus is less than \$7,000, the Bonus will be paid in two (2) equal installments. For non-prior service members, the first bonus installment will be paid after successful completion of recruit training and the second installment on successful completion of Class "A" school, or being placed on the striker advancement eligibility list for eligible ratings that do not have an associated "A" school. For prior service members who already have the qualifying skill, the first installment will be paid on entry into the Coast Guard and the second after satisfactory service (e.g., no disqualifying conditions described in paragraph 8.b.) for six months in the designated rating.
 - (2) If the total Enlistment Bonus is greater than \$7,000, the maximum first installment will be \$7,000 and the remainder of the Bonus will be paid in equal monthly installments.
 - e. A member may receive only one of the following benefits or incentives:
 - (1) Coast Guard College Fund, or
 - (2) Enlistment Bonus Program. Other bonus payments upon graduation from selected Class "A" schools (currently being given to FS rating) are discontinued and superseded by this Program. Receiving an Enlistment Bonus does not affect eligibility for educational benefits pursuant to the Montgomery G.I. Bill (MGIB). A Selective Reenlistment Bonus (SRB) may not be paid for the same period of service for which an Enlistment Bonus (EB) is paid.
7. ELIGIBILITY CRITERIA. To qualify for the Enlistment Bonus Program, members must:
- a. Meet standard enlistment qualification criteria;
 - b. Qualify for and agree to affiliate with a selected rating or designated critical skill and agree to serve an initial active duty enlistment for a minimum of 4 years;
 - c. Enter active duty in the Coast Guard after 01 December

1997 but prior to 30 September 1998;

- d. Does not participate in the Coast Guard College Fund. Once a member chooses to participate in the Enlistment Bonus, he or she cannot change over to the College Fund.

8. LOSS OF ELIGIBILITY AND RECOUPMENT. All paid but unearned bonuses, as defined by paragraph 5, shall be recouped on a prorated basis as specified in this paragraph.

- a. Members who are disenrolled from the qualifying Class "A" school or assigned "striker" program, or otherwise fail to qualify in the rating for which they are paid the bonus shall have any paid but unearned portions of an Enlistment Bonus recouped on a prorated basis. Enlistment Bonuses will not be recouped for members who are disenrolled under the conditions established in paragraph 8.d. or who do not acquire the skill due to unforeseen service actions (e.g., cancelling "A" school or disestablishing the member's rating).
- b. Members become ineligible for continued Enlistment Bonus payment on the date they no longer qualify or serve in the rating for which the Enlistment Bonus was authorized. Additionally, all paid but unearned Enlistment Bonuses shall be recouped on a prorated basis in these cases. A member will be considered not technically qualified in the bonus rating if for any reason within the member's control:
 - (1) The member no longer serves in the rating for which the bonus was authorized;
 - (2) The member's rating designator is removed; or
 - (3) Current and future assignment in that military specialty is precluded.
- c. Unearned bonuses shall also be recouped if:
 - (1) The member is unable to perform the duties of the rating for which the bonus was paid due to injuries caused by his or her own misconduct;
 - (2) The member is unable to perform the duties of the rating for which the bonus was paid as a result of a loss of security clearance due to his or her fault, or
 - (3) The member refuses to perform the duties of the rating for which the bonus was paid.

- d. Members who are discharged or change ratings prior to completing the period of service for which they were paid an enlistment bonus shall have a prorated share of all paid but unearned bonus recouped except:
 - (1) Members involuntarily discharged for the Convenience of the Government in connection with a reduction in force;
 - (2) Members who are separated or retired for physical disability, illness, injury, or other impairment incurred in the line of duty and not due to misconduct;
 - (3) Members who receive a dependency or hardship discharge;
 - (4) Members discharged early for the purpose of immediate reenlistment, provided they reenlist in the eligible rating and the reenlistment term is for a period longer than the obligated service remaining in the period for which an Enlistment Bonus was paid. For example, if a member separates before his or her normal end of enlistment to immediately reenlist, the money will not be recouped if the member extends or reenlists for a period at least longer than the amount of time the member had remaining at separation.
 - e. Personnel no longer classified or assigned to a general petty officer billet due to humanitarian reassignment, loss of security clearance not due to the member's fault, injury or illness through no fault of their own, will be entitled to their full bonus.
 - f. Members placed on weight probation in accordance with reference (d) shall have any unpaid Enlistment Bonus suspended until they comply with the Coast Guard's allowable weight standards.
9. PAYMENT AND RECOUPMENT PROCEDURES. The procedures to initiate payment and recoupment of the Enlistment Bonus will initially be published by Commanding Officer, Human Resources Services and Information Center (HRSIC) in an ALPERSRU. Subsequently, these procedures will be included in references (e) and (g).
- a. General Payment Procedures.
 - (1) Prior service personnel. The initial payment of the Enlistment Bonus to qualifying prior service personnel will be made on entry into the Coast

Guard. Subsequent payments will begin on completion of six months active service automatically unless HRSIC is notified of unsatisfactory service.

- (2) Non-prior service personnel. The initial payment of the Enlistment Bonus to qualifying non-prior service personnel will be made on successful completion of recruit training. Subsequent payments will begin on successful completion of "A" school, or being placed on the striker advancement eligibility list for eligible ratings that do not have an associated "A" school.
- b. Recoupment Procedures. When a member is no longer eligible for the Enlistment Bonus, HRSIC will recoup paid but unearned bonus portions based on the effective date documented by the member's command. Recoupment examples:
- (1) A prior service member enlisted for 4 years (48 months) on 20 December, 1997. On entry, the member was paid a \$1,000 installment of the Enlistment Bonus. Member was separated from the service due to his or her own misconduct on 1 March, 1998. Time not served is 3 years, 9 months and 18 days. The amount of Enlisted Bonus recouped would be \$950 based on $(\$1,000/48 \text{ mos} = \$20.8333 \text{ per month} \times 45 \text{ months}) + (20.8333/30 \text{ days} = \$0.6944 \text{ per day} \times 18 \text{ days})$.
 - (2) A non-prior service member enlisted for 4 years (48 months) on 20 December, 1997 for FT school. On graduation from recruit training on 14 February, 1998, the member was paid a 4,000 Enlistment Bonus initial installment. The member entered FT "A" school on 1 November, 1998 and was disenrolled due to academic failure on 5 January, 1999. Time not served is 2 years, 11 months, and 14 days. The amount of Enlistment Bonus recouped would be \$2,955.55 based on $(\$4,000/48 \text{ months} = \$83.3333 \text{ per month} \times 35 \text{ months}) + (104.1666/30 \text{ days} = \$3.4722 \text{ per day} \times 14 \text{ days})$.

The CG-3301V is a new Statement of Understanding between applicants for enlistment and the Coast Guard, and will be contained as ANNEX T to the Recruiting manual, COMDTINST M1100.2C. Further, the form describes the conditions under which the Coast Guard may cancel or recoup the bonus.

The CG-3301V will be completed by the recruiter and signed by both the recruiter and the applicant to which an enlistment bonus is paid. The form will be the basis for initiating payment of enlistment bonus and will be attached to the member's Enlistment Contract, Form DD-4, by which it will become a permanent part of the member's military record (Personnel data Record). The form is necessary to implement the new Enlistment Bonus recruiting initiative in support of the Coast Guard's recruiting mission. DEPT. OF TRANSP., USCG, CG-3301V (6-97)
